

UNIVERSITY OF ARTEMIS

The Founding Campaign

CAMPUS MASTER PLAN

www.artemisui.org / info@artemisui.org

50 Colleges. 3 Central Nodes. 6 Continents.

THE CENTRAL NODES

VENICE CENTRAL NODE

The European anchor. Intersection of Western intellectual tradition and Mediterranean connectivity. Repurposed historic complex near the Grand Canal, ~5,000 students.

SAN FRANCISCO CENTRAL NODE

The Americas anchor. Center of technological innovation and venture capital. Repurposed industrial complex in SoMa district, ~5,000 students.

SINGAPORE CENTRAL NODE

The Asia-Pacific anchor. Bridge between East and West. Purpose-adapted complex in One North innovation district, ~5,000 students.

THE COLLEGIUM NETWORK

Seven additional Colleges across major knowledge capitals. Each is a self-contained academic community using adaptive reuse of existing buildings.

City	Continent	Type	Capacity
Venice	Europe	Central Node	5,000
San Francisco	N. America	Central Node	5,000
Singapore	Asia	Central Node	5,000
Berlin	Europe	Tier A	2,500
Nairobi	Africa	Tier A	2,500
Sao Paulo	S. America	Tier A	2,500
Vancouver	N. America	Tier B	2,000
London	Europe	Tier A	2,500
Mumbai	Asia	Tier B	2,000
Kigali	Africa	Tier C	1,100

DESIGN PRINCIPLES

- Adaptive Reuse: Existing buildings repurposed, not demolished.
- Residential Community: Living, dining, social, study spaces in every College.
- Digital-First: High-bandwidth, AI-assisted tutorial systems, cross-campus collaboration.
- Sustainability: LEED Gold target, solar arrays, rainwater harvesting, passive cooling.
