
GIVING CIRCLES

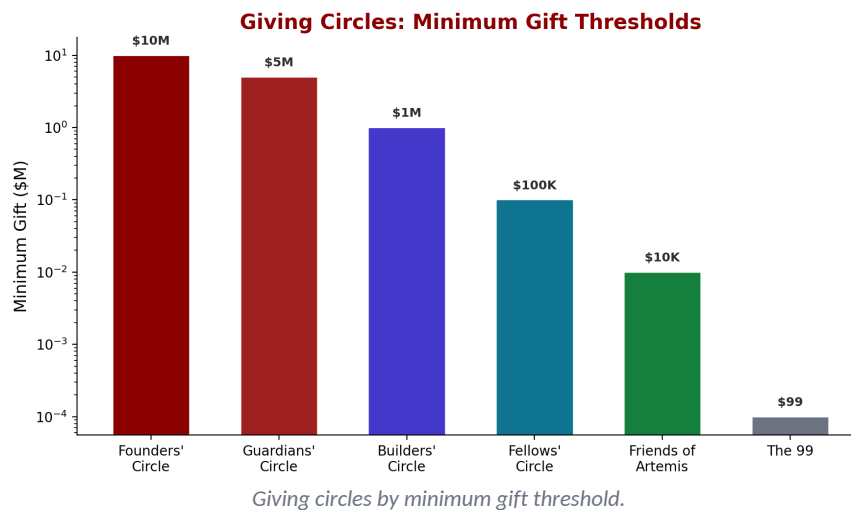

Benefits, Recognition & Annual Impact

EVERY GIFT, EVERY CIRCLE. PERMANENT RECOGNITION.

THE GIVING CIRCLES

The University of Artemis recognises its donors through six Giving Circles, each reflecting a different level of commitment and carrying distinct benefits. Every circle provides permanent recognition — your name becomes part of the university's founding story. The circles are designed to honour the full spectrum of giving, from the transformative gifts of the Founders' Circle to the grassroots commitment of The 99. Every circle matters. Every member of every circle is a founder.

THE FOUNDERS' CIRCLE — \$10M+

The Founders' Circle is the highest tier of recognition at the University of Artemis. Members' names are engraved on the university's founding document at the Venice Central Node — a permanent, physical inscription that will endure for centuries. Founders receive a permanent seat on the Board of Visitors, providing ongoing input into the university's strategic direction. The annual private dinner with the President, held at a rotating Central Node, brings together the world's most committed educational philanthropists. Each Founder also receives a named endowment fund or equivalent naming opportunity, a recognition plaque at all 50 Colleges, and a biographical feature in the annual campaign report.

Benefits:

- Name engraved on the founding document at Venice Central Node
- Permanent seat on Board of Visitors
- Private annual dinner with the President at rotating Central Node
- Named endowment fund or equivalent naming opportunity
- Recognition plaque at all 50 Colleges
- Biographical feature in annual campaign report

THE GUARDIANS' CIRCLE — \$5M–\$9.9M

Guardians name a College or Center of Inquiry, creating a permanent physical or intellectual landmark that carries their name. The Annual Guardian's Lecture is a public lecture series named by the donor — a platform for the ideas and voices they care about most. Guardians receive an annual private briefing with the President, providing direct insight into the university's progress, challenges, and strategic decisions. Each Guardian also receives a named endowment fund and a recognition plaque at all 50 Colleges.

Benefits:

- Named College or Center of Inquiry

- Recognition plaque at all 50 Colleges
- Annual Guardian's Lecture — a public lecture series named by you
- Annual private briefing with the President
- Named endowment fund

THE BUILDERS' CIRCLE — \$1M–\$4.9M

Builders name a Professorship, Scholarship Fund, or major program, creating a lasting academic legacy. The annual Builder's Report provides a detailed impact analysis of the donor's named gift — not just a thank-you letter, but a rigorous accounting of the students taught, research produced, and outcomes achieved. Builders receive an invitation to the annual gathering and a feature in the campaign newsletter, alongside a recognition plaque at all 50 Colleges.

Benefits:

- Named Professorship, Scholarship Fund, or major program
- Recognition plaque at all 50 Colleges
- Annual Builder's Report — detailed impact report on your named gift
- Invitation to annual gathering
- Feature in campaign newsletter

THE FELLOWS' CIRCLE — \$100K–\$999K

Fellows name a scholarship fund or tutorial room at their chosen College, creating a personal connection to a specific place in the Artemis network. Recognition at the chosen College includes a named plaque and inclusion in the College's founding record. Fellows receive the annual newsletter from the President and invitations to regional events.

Benefits:

- Named scholarship fund or tutorial room at chosen College
- Recognition at chosen College
- Annual Fellow's Newsletter from the President
- Invitation to regional events

FRIENDS OF ARTEMIS — \$10K-\$99K

Friends of Artemis have their name inscribed in the founding Donor Roll — a permanent digital and print record of everyone who contributed to the founding of the university. Each Friend receives a digital certificate of founding support, quarterly progress updates, and invitations to online events. The Donor Roll is published in the annual report and displayed permanently at each Central Node.

Benefits:

- Name in founding Donor Roll (permanent digital and print record)
- Digital certificate of founding support
- Quarterly progress updates
- Invitation to online events

THE 99 — \$99

The 99 are the first believers — the community that was there from the beginning. Members receive waitlist priority for enrollment, digital recognition on the community wall, monthly community updates, and the knowledge that they were first in line when the University of Artemis opened its doors. The name "The 99" reflects the 99% of the world that needs accessible higher education — and the belief that everyone, regardless of their financial means, can be part of the founding.

Benefits:

- Waitlist priority for enrollment
- Digital recognition on community wall
- Monthly community updates
- The knowledge that you were first in line
